Long Beach: 77 Oct 10, 2019 Washington State has 35 Indian casinos owned by 25 tribes and located across 15 counties..  
Casinos in Los Angeles – Closest One with Map By Steve Beauregard The greater Los Angeles area has 5 counties, 18 million people, 503 square miles of land, and one casino.. These tribal casinos are regulated by the federal NIGC and with gaming compacts signed with the Washington State Gambling Commission.

To clarify, we're talking about casinos with slot machines There are several nearby cardrooms in Los Angeles, however they are just cardrooms only.
